MT\_facility\_summary\_table - (1-7-2016).xlsx

Mike,

Sorry. Rosie said we could leave them in that location. But, I meant to call and verify. No, the stuff ended up arriving so we didn't use them.

Attached is the spreadsheet we had discussed. I should be able to send the other materials in an updated draft (almost final) form next week. Let's plan to touch base next week if you are in the office.?

Headed out backpacking with the family today. Wish us luck. First trip with both kids and carrying all their crap.

Tina

Hi Tina;

I found the VanDorn and cable and put them away...hope they helped; did you end up using them?

Also, you were going to re-forward that spreadsheet with cost analysis in, regarding the treatment facilities...

Thanks, Mike
